Alanah Little

UX Engineer + Front-End Developer

Charlotte, NC | (910) 797-3693 | alanahcl15@gmail.com | LinkedIn | Portfolio | GitHub

Education

University of North Carolina at Charlotte, Charlotte, NC **Expected May 2027**
B.A. Computer Science — Human-Computer Interaction Concentration

Technical Skills

UX & Design: Figma (Auto-Layout, Components & Variants), Balsamiq, Usability Testing, Heuristic Evaluation, SUS, Affinity Mapping, User Research, Wireframing, Prototyping, Information Architecture
Development: JavaScript, HTML5, CSS3, React (Vite, React Router), Python, C++, Git, GitHub, GitHub Pages, RESTful Concepts, WCAG Accessibility
Tools & Concepts: Salesforce, VS Code, Adobe Photoshop & Illustrator (certified), Agile/Scrum, SDLC, OOP, Data Structures

Experience

Professional Case Management (PCM / EmVenio) | Application Support Intern — *Remote* **Jun 2026 – Present**
- Drove UX research and redesign work for CTTS, an internal Salesforce-based clinical trial tracking system used by ~200 staff
- Ran usability interviews and heuristic evaluations, using System Usability Scale (SUS) scores to rank pain points and prioritize fixes
- Surveyed 30 internal users and synthesized findings into affinity maps and recommendations for technical and business stakeholders
- Designed and prototyped improved search and status-tracking flows in Figma to reduce user errors and confusion
- Partnered with engineering and product leadership to align redesign proposals with development constraints

Freelance Web Developer | Self-Employed — *Charlotte, NC* **Mar 2026 – Present**
- Build custom, responsive client websites with HTML, CSS, and JavaScript, managing the full lifecycle from requirements to launch
- Built Lens & Light, a minimalist photography portfolio with image galleries users can filter by category
- Deploy live sites on GitHub Pages, using Git and GitHub for version control

Project Experience

HiveHomes — Mobile Apartment Rental App | UX Researcher & Lead **Jan 2026 – May 2026**
- Led end-to-end UX for the CoLiving feature (expense splitting, chore tracking, shared dashboards), from wireframes through usability testing
- Ran the team usability study with 4 participants, achieving a 100% task completion rate and an Excellent SUS score

StyleSync — Virtual Fashion Try-On Platform | UX Designer & Lead **Jan 2026 – May 2026**
- Led end-to-end UX for the More Like This recommendation feature, from hand-sketched wireframes to a high-fidelity Figma prototype
- Recruited participants and ran a usability session, achieving a 100% task completion rate and a Good–Excellent SUS score

Smart Kitchen UX Prototype | UX Designer & Front-End Developer **Jan 2026 – Mar 2026**
- Led the Wellness Planning feature (nutrition tracking, dietary preferences, meal recommendations) in a high-fidelity web prototype
- Applied information architecture and UX patterns to reduce cognitive load and improve navigation

Roller Skate E-Commerce UX Evaluation | UX Researcher **Aug 2025 – Dec 2025**
- Compared three e-commerce sites using heuristic evaluation, cognitive walkthrough, and affinity mapping; turned friction in sizing, hierarchy, and checkout into redesign recommendations

Leadership & Organizations

Charlotte Pasifika Alliance (CPA) | Co-Founder & Co-President — *UNC Charlotte* **Aug 2026 – Present**
- Co-founded a Pacific Islander student organization and grew it to 20 members and a five-officer executive council in its first semester
- Lead operations and member experience: event logistics, budget, resources, and programs such as dance and craft workshops and a fundraiser
- Designed the club's flyers, social media graphics, and QR-code member sign-up

National Society of Black Engineers (NSBE) & Society of Women Engineers (SWE) | Member **2026 – Present**

Certifications

freeCodeCamp — JavaScript Algorithms & Data Structures; Responsive Web Design Mar – Apr 2026
Adobe Certified Professional — Visual Design (Photoshop); Graphic Design & Illustration (Illustrator) Dec 2021 – Mar 2022
